

RESERVE YOUR PICKLEBALL COURT

To set up your account and start booking, you'll need to **create an account through [yourcourts.com](https://www.yourcourts.com)** with the email that is on file at the club. Once this step is completed, a club administrator will approve your request and email you your login credentials where you'll be able to sign in to your account and reserve your court today!

Our **front desk will not be able to book the courts for you** so be sure to plan ahead and familiarize yourself with the YourCourts registration system.

Please note, if you have an active tennis membership, you'll be able to book a pickleball court from your current YourCourts account.

If you have any questions regarding your login and password or need assistance with the reservation system, please contact Joey Grady at joey.grady@swellclubs.com.

To register visit:

www.yourcourts.com/yourcourts/security/register/58001

See you soon,
COAC team
