Swell Goleta Tennis Camps give children of all skill levels a chance to improve their game while having fun. Our well-trained instructors help players build confidence while improving fundamental strokes, tactical skills, and coordination. All participants will have time for supervised match-play daily and will participate in a friendly tournament at the end of each week.

LEVELS OFFERED

Junior Stars (Ages 6-8)

Players have learned the basic fundamentals and have the ability to rally three to six balls regularly.

Futures (Ages 8-12)

Players are technically sound and utilize the geometry of the court to their advantage during point play.

Challengers (Ages 12+)

Players have begun to develop weapons (forehand, serve, etc.) and execute patterns of play to utilize their strengths. Although not required, it is beneficial if the player has experience in Junior Varsity or Varsity tennis at school.
